Friends of Farpointe at ISC West 2016

Farpointe Hosts Industry Friends & Partners

On Thursday, April 7th from 3 to 5 PM, electronic access control professionals, as well as security industry experts, gathered for the 5th Annual **Friends of Farpointe** to network, discuss industry trends and learn about the latest Farpointe innovations. Friends of Farpointe is an exclusive, must-attend access control industry event created and hosted by Farpointe on the show booth.

We were honored to host our industry friends and partners. Thank you to everyone who attended!

Farpointe Fights Access Control Vulnerabilities

For the past year, Farpointe President, Scott Lindley, has been discussing access control vulnerabilities and solutions to help protect against them.

ISC West 2016 gave Lindley the opportunity to meet directly with leading security publications, and show them first-hand the various products and technologies Farpointe is using to help combat access control threats.
