TODAY'S SECURITY INDUSTRY FROM A HUMAN RESOURCES PERSPECTIVE

Sabrina Wilson, senior vice president of human resources at dormakaba Americas, discusses hiring trends and best practices for diversity.

As seen on [Security Sales & Integration](#) | September 2022

SECURE Perspectives is a monthly column by the Security Industry Association (SIA) profiling women in the security industry. For this edition, SIA spoke with Sabrina Wilson, senior vice president of human resources at dormakaba Americas. Earlier this year, Wilson was named to the inaugural SIA WISF Power 100, recognizing 100 women in the security industry who are role models for actively advancing diversity, inclusion, innovation and leadership in the community.

CONEKT® CSK-2 Keyfob

CSK-2 is part of the Conekt Mobile-Ready Access Control ID Solution. In addition to supporting mobile access credentials, Conekt includes a range of traditional physical access credentials, such as cards and the CSK-2 key tag.

CSK-2 Features:

- 13.56-MHz contactless smartcard technology
- MIFARE® DESFire® EV2 support
- Farpointe's exclusive MAXSecure™ and ValidID™ security features
- ABS housing with a stainless steel frame
- Up to 1-inch (25 mm) read range
- 2K memory standard
- Option to private label

Seen on the Street

CSR-35L is part of Farpointe's CONEKT® line of [mobile-ready readers and credentials](#). The one seen here—integrated with an Aiphone intercom system—was spotted in Redwood City, California.

Conekt's Integrator Benefits:

- Easy installation in most access control applications
- User flexibility—reads mobile and physical credentials
- Advanced technology supports industry standard interfaces, including OSDP (verified by SIA)
- Outstanding durability thanks to a fully potted, IP67-rated design
- Field-adjustable read ranges up to 15 feet (4.6 m)
