Mobile Credentials with Touchless Activation

Farpointe's recent update to its Conekt Wallet App improves convenience and enhances the user experience through a new **Touchless Activation** feature.

Touchless Activation allows a select mobile credential to automatically activate when in range of a supported Conekt mobile-ready reader. Stop by booth 5077 for a demo.

Demonstrations on the Benefits of OSDP

Improve the security and interoperability of your access control deployments with the Open Supervised Device Protocol (OSDP).

Join us during ISC West as Rodney Thayer, noted network infrastructure security researcher and product evaluator, shares insights on OSDP in access control deployments. No registration required. Just stop by Farpointe booth 5077 during one of these two times.

Two options available:

- Wednesday, March 29, 11AM
- Thursday, March 30, 11AM

You Are Invited to Friends of Farpointe
