Farpointe Exhibiting at The Security Event (TSE) in Birmingham, UK

TSE is being held at the Birmingham National Exhibition Center (NEC), 25 – 27 April 2023. Security integrators are encouraged to visit stand 4/K40 to learn how our expertise in RFID solutions has been helping security integrators deliver their best access control deployments for 20 years.

Farpointe will have its mobile-ready and long-range RFID solutions available for demonstation.

READ PRESS RELEASE

THE COMING OF AGE FOR MOBILE CREDENTIALS

By Carl Fenger
Technical Communications Manager, LEGIC
As seen in **International Security Journal** │ *February 2023*

People everywhere are increasingly using their smartphones to interact with the world. Tasks such as opening doors, buying tickets, sharing or charging vehicles are convenient, easy and secure to do with your smartphone. At the core of these many possibilities is the secure provisioning of mobile credentials.

READ MORE
