HIGHLIGHTS FROM ISC WEST 2025

Strong interest shown in Farpointe's Apple Wallet support with CloudCONEKT®

With approximately 29,000 security industry professionals on-hand throughout the week, ISC West 2025 was a winning event for the security industry. As a participating exhibitor, Farpointe had a front-row seat, experiencing steady booth traffic, a well-attended networking event, and numerous productive connections made with partners, integrators, and consultants.

If you visited with us during the show, thank you! If you couldn't make it to Las Vegas — or didn't have a chance to stop by the booth — some of what we featured during the show is highlighted on the next page. Hope to see you in New York at ISC East later this year.

Farpointe Hosts the Access Control Industry

Farpointe held its 12th annual Friends of Farpointe—an eagerly anticipated event during ISC West—on Thursday, April 3. Held on the Farpointe booth, the event is Farpointe's opportunity to thank its partners and help others around the electronic access control industry make valuable connections.

Guests had the opportunity to relax in the middle of a busy show, have a cool beverage, network with industry experts, catch up with old friends, and make new ones. Hope to see you in Las Vegas in 2026!
